At the southern tip of Vancouver Island on the Saanich Peninsula, lies one of British Columbia's most extraordinary waterfront holdings. Encompassing an impressive 6.65 private acres and an astounding 1,903 feet of low-bank ocean frontage, this legacy estate offers a level of privacy, scale, and waterfront access that is simply unmatched in today's market. A sandy beach, deep-water dock/moorage, and pastoral field create a setting of exceptional beauty. The four-bedroom main residence and separate two-bedroom cottage are perfectly positioned to capture breathtaking panoramic ocean views and spectacular sunsets from the property's predominantly south-west facing shoreline. Beyond its appeal as a world-class private estate, the property presents an extraordinary investment opportunity. The existing R-2 zoning supports a ten-lot subdivision plan, offering developers and investors the rare chance to create an exclusive waterfront community in one of BC's most sought-after locations.
